Subscriptions for Benefit Units shall be given preference and priority in order in which received. Benefit Units for residential land will have preference over commercial, and irrigation, and other business enterprises. The Board may refuse the subscription for a Benefit Unit in favor of a particular tract of land located within the District, or impose special conditions on granting the same if in

the judgment of the Board, the granting of said subscription and the furnishing of water pursuant thereto, would impair the service to other water users in that locality or be uneconomical, unfeasible, and place an undue burden on the District. Any landowner who feels himself aggrieved by such denial, or imposition of special conditions, may appeal from the action of the Board to a vote of the members at the next regular meeting of the members, or special meeting of the members called for such purposes: Provided the decision of the Board shall stand unless 3/4ths of all participating members (or landowners at meetings where only qualification to vote is ownership of land within the District), vote in favor of a motion to overrule the decision of the Board.

Provided, further, that the Board may permit such reinstatement within 6 months after such failure upon payment of all back charges, plus 10% interest, and reasonable labor charges necessary to effect such reconnection: Provided, further, that if the defaulting water subscriber is a tenant, the time set out above shall not commence to run until the Secretary of the District has mailed or caused to be mailed by registered or certified mail notice of such default of the tenant to the landowner at his last known address as shown on the books of the District.
